

# WATER TRAILER

550 gallon  
Potable Water  
Gravity Fed

*\*Images shown may include optional features.  
Actual product appearance may vary based on  
selected configurations.*

The 550-Gallon Express Potable Water Trailer is designed for easy delivery of potable water to remote sites like RV parks, cabins, portable offices, and temporary facilities. Built with an algae-resistant tank, food-grade components, and a DOT-approved trailer frame, this unit delivers clean water where you need it, fast and hassle-free. Its gravity-fed design uses three hose bibbs and a 2" outlet for efficient discharge without requiring a pump.

### FEATURES

- 550-gallon algae-resistant tank
- Gravity flow system
- 2" anti-siphon fill port
- 3 garden hose bibbs + 2" outlet
- DOT-approved trailer with LED lights

### BENEFITS

- No pump needed
- Safe for potable use
- Fast, simple setup
- Low maintenance
- Versatile water delivery
