

12-VOLT | MOUNTS ON ATV / UTV / PICKUP

ATV SPOT SPRAYER

SPOT CHIEF® · 25 GALLON · MADE IN USA

A premium, made-in-USA spot sprayer that mounts to your ATV, UTV, or pickup. A 12-volt pump and 25-foot spray gun put precise, targeted application; herbicide, fertilizer, or cleaning solution, right where you need it, on a roto-molded tank built to take a beating.

**Images shown may include optional features. Actual product appearance may vary based on selected configurations.*

25 GAL
TANK**2** GPM
FLOW RATE**60** PSI

HOSE + GUN**26** LB
DRY WEIGHT

BUILT TOUGH, DRAINS CLEAN

A roto-molded SOLID-WALL™ tank shrugs off chemicals and impacts, while the DRAIN-CHANNEL™ system empties every ounce when slightly tilted; no waste, no residue between chemicals.

Made in the USA and backed by up to a 10-year tank warranty (with product registration).

WHY CREWS CHOOSE IT

MOUNTS ATV / UTV / PICKUP

Low-profile, compact footprint loads onto utility vehicles and truck beds with room to spare.

25' HOSE + SPRAY GUN

Long-reach handgun lets you treat spots and fence lines without leaving the seat.

EASY-LIFT™ + WORK-SPOT™

Molded-in handle grips for easy loading, plus a built-in platform for your chemical jug while filling.

12-VOLT PLUG-AND-SPRAY

Diaphragm pump runs off 12V power – 2 GPM at 60 PSI for steady, controllable application.

FAST-WRAP™ HOSE HOLDER

Mount-anywhere holder stows the hose and spray gun securely for travel.

COMPACT & LIGHT

Just 26 lb and 18"×39"×16" – fits small platforms and stores easily off-season.

SPOT CHIEF® – FULL SPECIFICATIONS
