

DOT-COMPLIANT | ROAD-LEGAL LIQUID TRANSPORT

NURSE TRAILER

LIMITED SERIES · 1,010 - 1,600 GALLON

The road-legal nurse trailer for crews that move liquid between sites. A full DOT light kit, electric brakes, and fenders let you tow on state roads, while the Pin Mount™ tank system and 195-GPM Banjo® pump keep water moving fast.

**Images shown may include optional features. Actual product appearance may vary based on selected configurations.*

DOT-COMPLIANT – LEGAL TO TOW ON STATE ROADS

Every Limited Series trailer ships road-ready: a DOT LED light kit (clearance, stop, turn, tail & license), electric brakes with emergency breakaway on both axles, fenders, and a 2-5/16" 20,000-lb ball hitch.

Towing only on private property? Ask about the **non-DOT Select Series** instead.

WHY CREWS CHOOSE IT

- FULL DOT LIGHT KIT**
 LED clearance, stop, turn, tail and license lights for legal, visible road travel.
- ELECTRIC BRAKES + BREAKAWAY**
 Powered braking on both axles with an emergency breakaway system for safe stops.
- PIN MOUNT™ TANK SECURITY**
 Enduraplas Pin Mount system locks the tank down with extra fasteners for transport.
- 195-GPM BANJO® TRANSFER**
 2" Banjo centrifugal poly pump on easy-starting Honda® power moves liquid fast.
- SUMP-BOTTOM POLY TANK**
 Chemical-resistant poly tank with a sump bottom that drains clean between loads.
- UPGRADED 1,600 CHASSIS**
 The 1,600 steps up to an 8" frame, dual 10,000-lb axles and 18-ply tires.
